B.G. LAKSHITHA MADUSHAN

Undergraduate in Sabaragamuwa University of Sri Lanka

INTRODUCTION

I am a personality student with an analytical and problem-solving background and a broad set of skills from my academic experience who aspires to become the best in my profession. My goal is to use my academic background in all of my work to help build a better future both for myself and my employers, all the while advancing my career and actively contributing to the team in a demanding work environment. So far I have studied programming and designing in the ICT sector. I hope to complete my degree programme in 2024.
